Subject: Approval of Large Mine Transfer Between H.E. Davis & Sons and H.E. Davis Construction, Inc., HE Davis Construction, Inc., Levan Henry Mine, M/023/023, Juab County, Utah

Dear Mr. Christofferson:

The Division granted approval of the Large Mine Transfer between H.E. Davis & Sons and H.E. Davis Construction, Inc. on March 27, 2006. The reclamation contract and corporate surety also received Division approval.

Further action is required due to a recent merger between Sunroc Corporation and H.E. Davis Construction, Inc. A telephone conversation on March 21, 2006, with Mr. Rhys Weaver resulted in a commitment to submit company documents showing there are surviving officers from H.E. Davis Construction, Inc. to Sunroc Corporation. To date, these documents have not been received. If these documents are not submitted to the Division, a Large Mine Transfer between H.E. Davis Construction, Inc. and Sunroc Corporation will be required. Please make arrangements for submittal of these documents to the Division. If no such documents exist, please contact the Division for mine transfer instructions.

For all requested submittals and questions, please contact Beth Ericksen (801) 538-5318 or myself at (801) 538-5258.

Sincerely,

Susan M. White
Mining Program Coordinator
Minerals Regulatory Program
